The entire establishment in all the Elementary schools has been paid the salaries and allowances upto 31-10-51. The non-payment of the salaries for the previous five months was due to the paucity of funds on one hand and the heavy expenditure consequent on the opening of new schools on the other

Steps are being taken to see that teachers are paid their salaries regularly in future.

Honourable Sir,

Sub: Most unreasonable delay in release of T. Teachers'Salary in the Bellary District Board.

I,the undersigned in the interests of the Teachers of the Bellary District Board,most humbly beg to submit the follow -ing for favourable urgent orders:-

1. I would like to bring to your kind notice that there is lot of irregularity in disbursements of teachers monthly salaries in the District Board Bellary and as a result of which the poor teachers are not able to receive their monthly salaries even once 4 months.Hence they are put to greatest d ifficulty and much hardship.

2. I learn that several representations have been made (repeatedly) to the Government and also to all other concern -ned authorities in this connection and it is a great pity to observe that there is no response so far for the same. On the other-hand it is learnt that the poor teachers are unnecessarily harassed by the President District Board Bellary by taking diciplinary action against such of those who have made representations to Government under unavoidable circumstances.

3. This kind of irregularity as I learn is going on in the Bellary District Board for nearly one year and the teachers are unable to discharge their duties properly as they find their existance itself most difficult especially in these hard days.

4. It is therefore in the interests of the suffering teachers of the Bellary District Board including Elementary School teachers,humbly requested that you may be pleased to take immediate steps to check up this irregularity and thus relieve them from distress by directing the President District Board Bellary to release the entire arrears of their salaries atonce without any more delay.

P.D.L.No.24/50., dated 3rd March 1952.

Sir,

Sub:- Establishment- Bellary District Board-Non-payment of salaries to School establishment- circumstances explained.
Ref:- Telegram dated 19th February 1952.

Kind perusal of a copy of my D.O. letter dated 19th January 1952 to the Secretary to the Government of Madras,Local Administration Department,Madras(copy enclosed) will convince you that the delay in the payment of the salaries and allowances of the teaching staff under this District Board is mainly due to the paucity of funds on one hand and the delay on the part of the Treasury Officer,Bellary in the payment by book adjustment of the claims preferred immediately after presentation on the other.

2. In addition to this much to the detriment of the Board's finances there was an excess debit of Rs.50,600-15-0 in July 1950 which acted as a dead weight on the closing balance each month. Out of this only a sum of Rs.47,577-7-0 has been adjusted on 14-2-52 after personal contact with the Treasury Officer,Bellary.

3. I request you to take such steps as you may deem fit to instruct the Treasury Officer to adjust the amounts due to the Board at least within three days after the receipt of the claim bills in his office and to honour requisitions for transfer of funds from one treasury to another treasury within 24 hours after requisition in future. The deficit balance in the Elementary Education Fund added to this depletion in the Board's funds. As the Education Cess has now been enhanced to 36 pies in G.O.No.Ms.3048,Edu,dated 22.8.51 the Collector adjusted the consequent difference of Rs.94000 in January 1952.

4. Under these circumstances the non-payment of salaries of teaching staff was delayed. The salary for January 1952 alone has yet to be paid which is being paid now.

5. The claim of advance of subsidy of Rs.63400/- towards schools under expansion scheme made in this office letter No.4509/51 dated 16-1-52 may kindly be complied with at your earliest convenience - This has been since obtained.

6. It is only exaggeration of the fact by persons disappointed by the Board. Ofcourse there was delay as described in foregoing paras and that too involving to the extent of about Rs.50,000/- only. The Board is aware of the hard days and shall avid delays in future. I assure you that I shall be alert on this matter in future.

Yours obedient servant,

President,District Board,
Bellary.

Copy of D.O.letter dated 19-1-1952 of the President,District Board, Bellary to the Secretary to the Govt.,of Madras,Local Administration Department,Fort Saint George,Madras.

Sub:- Accounts- Adjustment of monthly instalments of earmarked Government grants- prompt attention by Treasury sought for.

The financial condition of the Board is facing a crisis on account of the deficit in the Elementary Education Fund. Government have sanctioned the enhancement of the Education Cess to 36 pies and the Collector has been addressed to adjust the difference of of Education Cess consequent on the increase from July 1951 to December 51 when the position will improve.

2. Labouring under these circumstances the Board expects prompt adjustments of miscellaneous bills pertaining to earmarked funds presented at the Treasury office. But contrary to it the Treasury Officer has not adjusted the bills appended to this though presented at the Treasury onthe dates noted against them . The applications for the transfer of funds to Sub-Treasuries which were once returned on 28-12-51 were retransmitted for effecting the transfers after adjusting the bills referred to above. He has not attended to it without taking into account the bills pending adjustment at the Treasury.

3. Though the possibility and the urgency of effecting the transfer of allotments were pointed out to him in this office letter Pdl.No.24/52 dated 10-1-51(copy enclosed) he has not complied with this request. Further he said that he would adjust the difference of Rs.50,600-15-0 pertaining to July 50 in his letter R.C.No.5753/51 C.4 dated 8-12-51 (copy enclosed) but he has not attended to it so far.

4. The teachers are clamouring for salary as the transfer of funds among the Sub-Treasuries has not been effected. I request you therefore to kindly arrange to issue emergent instructions to the Treasury Officer,Bellary preferably telegraphically for immediate payment of all the pending miscellaneous bills and the old credit of Rs. 50,600-15-0, so that the salary of the teachers which has fallen to arrears may not be delayed.

I am at a loss to understand why such a situation is caused by the sheer delay on the part of the Treasury Officer's office. The staff of this office also contacted the Treasury Officer-s staff personally but that seems to have no effect. The Government should, I submit, call for an explanation for this present delay and issue such instructions that the matters of this kind should not be disregareed in this way. I request that telegraphic instructions be issued to the Treasury Officer for immediate compliance.

To

Sir,

We teachers of the Bellary District Board have not received our salary for the last 3 months. We waited on the office and ventilated our untold sufferings. The reply is "If your cannot wait quit service". This is to say the least adding fuel to fire. Is there no money to pay us. There must be money. Otherwise how can these new ~~receivins~~ appointments be made by the President recently.

Six extra clerks for the office as a permanent measure

One extra Accountant for the office permanently. One temporary clerk, and one temporary attender, One Revenue officer with clerikal and inferior staff to work under him. One generating ~~x~~ set. One Jeep.

The authorities sanction these items but never care to enquire whether teachers salaries are paid or not. We have families consisting of babies and sick persons. Casualities in the families have become the order of the day for want of food and treatment. If we give up the jobs we are fit for nothing in this world. The office threatens us with dismissal. Our District Board Educational Officer being touched deeply by our miseries sufferings, casualities left Board's service. He says he has sinned against god in taking up appointment as D.B.E.O., Bellary. The President does not give audience. The Secretary has only one reply "We are busy with canvassing votes for the President to become a M.L.C. All clerks have gone out to Anantapur, Cuddapah, Kurnool to canvas votes. Further there is no money in the Treasury. If you cannot wait quit service. Be patient and canvas votes. The President will be pleased and will help you". We are looked down by the few clerks left in the office. They demand tiffin, coffee and cash for receiving our salary bills. If sent by post they are destroyed. Some time back we appealed to the D.P.I. to arrange for the payment of salaries of three months. Charges were framed and we were punished. Is this justice sir. To get a month's salary we have to carry the favour of a Board member by giving private tution to his children. Please end or mend our sufferings. We look forward for the day when Government take charge of the schools. The District Board Officers and officers get their pay regularly. The newly appointed District Board Revenue Officer H.Gurupada Gowd is empowered to inspect the schools. He was previously a clerk in the District Board Office attending to Elementary Schools work. He forced bribes from us for cancelling our transfers. He is President's right hand. He is Secretary's right hand. He was Executive Educational Officer Alur Panchayat plundered the Panchayat. As rumours go government framed charges against him and sent him back to District Board office. Now he has made his reappearance as the Revenue Officer. He checks the school furniture and threatens to recover the cost of warn out furniture. We have to pacify him by giving him Cholam Tamarind, and cash, of course borrowed cash. Please help us to

1. get our 3 months salaries.
2. get relief from the Revenue Officer. Ask the Panchayat Officers and the public of Alur how corrupt he was. We are despaired.

S i r,

Let me permit me to bring to your kind notice the following facts for necessary action.

1. The teachers serving in the District Board Schools in Bellary District are not paid regularly every month. In these hard days particularly the elementary school teachers are subjected to lot of suffering and misery if they are not paid regularly. They are paid once in three or four months. The teachers in villages are not even able to secure hand loans till they get their monthly pay. Hence they find it hard to live in villages. This gives rise to dissatisfaction and reluctance to serve the villages schools under the District Board.

Numerous representations in this respect have been made to the President District Board both by the members of the District Board and the elementary School teachers. Inspite of it the grievances of the teachers are not redressed.

I believe it is high time that your honourable self will take it up the matter and see that the teachers are paid regularily every month.

Sir,

Elementary Education- Distfict Board,Bellary- Irregular payment of salaries to teachers-Reasons reported.

Ref:- Government Memo No.15240-C/52-1 Edn.,dated 26-4-52 and your Telegram dated 7-5-52.

*****

I invite your kind attention to this office letter P.D.L.No. 24/50 dated 3-3-52 explaining the circumstances under which the delay in the payment of salaries to the Elementary School teachers of the Board was unavoidable. A copy of the reference is enclosed for ready reference.

The Elementary Education Fund Budget of 1951-52 closed with a deficit of Rs.3,10,535 vide Government (review) order Ms.No.1666 Edn., dated 14-6-51. The Elementary Education Fund therefore depended to some extent on the General Fund balance. When the Board was labouring hard to find ways and means to wipe out the deficiency the Collector of Bellary ordered a recovery of Rs.102264 towards land cess which he found to be excess payment in the previous years. Further the Treasury Officer made an excess deduction in the pass book of a sum of Rs.50600/15/- due to wrong totalling and all these added to the financial crisis of the Board.

To wipe out the deficit in the Elementary Education Fund the Board enhanced the rate of Education Cess from 20 pies to 36 pies in the rupee of land Revenue. But some time elapsed before the Collector of Bellary could adjust the difference of Rs.92400/- consequent to the increase in the Education Cess which was done in February 1952. Failure to pay the difference above month after month commencing from the current fasli i.e. from July 1951, also added to the grave position.

In order to tide over the situation the Board was led to the necessity of applying for an advance of Rs.2,00,000/-whereas Government were pleased to sanction only Rs.1,00,000/- in their Order No.1756 L.A.,dated 7-9-51.

Labouring under these circumstances the Board managed to disburse the salaries upto date with some delays which was beyond its control as explained in para supra.

Salaries have now been paid upto date and the disbursement of salaries for April 1952 is in progress. Every endeavour is made to disburse the salaries in good time.

In this connection I invite the kind attention of the Government to this office letter No.3183 dated 18-4-52 and telegram thereon dated 2-5-52 to sanction the subsidy due towards Elementary Education Tax at an early date and help the Board to get over the financial difficulties.

Copy of letter P.D.No.24/50 dated 3rd March 1952 of the President, District Board, Bellary to the Secretary to the Government of Madras, Education Department, Fort Saint George, Madras.

Sub:- Establishment- Bellary District Board-Non-payment of salaries to school establishment- circumstances explained.
Ref:- Telegram dated 19th February 1952.

Kind perusal of a copy of my D.O.letter dated 19th February 1952 to the Secretary to the Government of Madras, Local Administration Department, Madras(copy enclosed) will convince you that the delay in the payment of the salaries and allowances of the teaching staff under this District Board is mainly due to the paucity of funds on one hand and the delay on the part of the Treasury Officer, Bellary in the payment ~~of~~ by book adjustment of the claims preferred immediately after presentation on the other.

In addition to this much to the detriment of the Board's finances there was an excess debit of Rs.50,600-15-0 in July 1950 which acted as a dead weight on the closing balance each month. Out of this only a sum of Rs.47,577-7-0 has been adjusted on 14-2-52 after personal contact with the Treasury Officer, Bellary.

I request you to take such steps as you may deem fit to instruct the Treasury Officer to adjust the amounts due to the Board at least within three days after the receipt of the claim bills in his office and to honour requisitions for transfer of funds from one treasury to another treasury within 24 hours after requisition in future. The deficit balance in the Elementary Education Fund added to this depletion in the Board's funds. As the Education Cess has now been enhanced to 36 pies in G.O.No. Ms. 3048 Edn., dated 22-11-51 the Collector adjusted the consequent difference of Rs.9400/- in January 1952.

Under these circumstances the non-payment of salaries of teaching staff was delayed. The salary for January 1952 alone has yet to be paid which is being paid now.

The claim of advance of subsidy of Rs.63400/- towards schools under expansion scheme made in this office letter No.4509/51 dated 16-1-52 may kindly be complied with at your earliest convenience- This has been since obtained.

It is only exageration of the fact by persons disappointed by the Board. Ofcourse there was delay as described in foregoing paras and that too involving to the extent of about Rs.50,000/- only. The Board is aware of the hard days and shall avoid delays in future. I assure you that I shall be alert on this matter in future.

I invite your kind attention to this office letter PL.No. 24/50. dated 3-3-52 explaining the circumstances under which the delay in the payment of salaries to the Elementary school teachers of the Board was unavoidable. A copy of the reference is enclosed for ready reference.

The Elementary Education Fund Budget of 1951-52 closed with a deficit of Rs. 3,10,535/- Vide Government (review) order Ms.No. 1666/Edn/dated 14-6-51.

The Elementary Education fund therefore depended to some extent on the general fund balance. When the Board was labouring hard to find ways and means to wipe out the dificienty the Collector of Bellary ordered a recovery of Rs. 102,264/- towards landcess which he found to be excess payment in the previous years. Further the Treasury Officer made an excess deduction in the pass book of a sum of Rs. 50,600-15-0 due to wrong totalling and all these added to the financial crisis of the Board.

To wipe out the deficit in the Elementary Education Fund the Board enhanced the rate of Education cess from 20 pies to 36 pies in the rupee of land revenue. But some time elapsed before the Collector of Bellary could adjust the difference of Rs. 92,400/- consequent to the increase in the Education cess which was done in Feb.,'52, Failure to pay the difference above month after month commencing from the current fasli i.e., from July '51 also added to the grave position.

Roc.No.2176/52 C.1 dated

Sir,

Sub:- BUDGET ESTIMATE - for 1952-53 - Revised estimate for 1951-52 - Bellary Elementary Education Funds - Submitted.

Ref:- Director of Public Instruction's letter No.Rc. 2129-B.1/51 dated 11.9.51 and reminders thereon,

---

I forward herewith in the prescribed form in duplicate the revised estimate for 1951-52 and the Budget estimate for 1952-53 of the Elementary Education Fund of this District Board together with the prescribed annexures, appendices and statements.

The marked variations between the provision made for the item in the Budget estimate for 1951-52 and the revised estimate for 1951-52 are fully explaimed in Appendix II. The salient points are noted against each item. The particulars mentioned in Annexure I relate to schools comming under expansion, Scheme and those mentioned in Annexure II pertains to schools comming under Compulsory scheme.

RECEIPTS:-

Consequent on the enhancement of Education Cess to 36 pies in the rupee with effect from the current Fasli year as approved in G.O.Ms.3048, Edn., dated 22.11.51 the amount has increased to Rs.4,20,000/- from Rs.2,76,000/- as in the previous Fasli year. Government contribution under section 37 of the Elementary Education Act has been taken on the basis of the amount actually received during 1951-52. (G.O.Ms.No.1732 Edn., dated 22.6.1951).

Provision has been made in regard to the staff, equipment and accomodation in the Budget estimate on the basis of the actual requirements of each and with the due reference as far as possible to the recommendation of the inspecting Officers.

CONTRIBUTION TOWARDS PROVIDENT FUND ON BEHALF OF TEACHERS:-

Though provision for this item was made in the Budget estimate for 50-51 contribution was not actually made during 50-51 hence an additional provision of Rs.12,000/- has been provided in the revised estimate for 51-52.

The income under Elementary Education Fund remained constant whereas the expenditure steadily increased enormously consequent on the opening of new schools under provisions contained in G.O.Ms.No.1456, Edn., dated 9.5.1950 and the increased in the staff on the recommendation of the District Educational Officer, Bellary in recent years and the payments of Enhanced scales of pay since 1947.

(P.T.O.)

No contribution from General Funds could be made to the Elementary Education Fund as suggested in G.O.Ms.No.1666 Edn., dated 14.6.51 to wipe off deficit as there was not surplus closing balance in the General Fund.

Much relief is expected from the enhancement of the Education Cess to 36 pies.

CAPITAL - LANDS AND BUILDINGS:-

Provision has been made for expenditure of Rs.25,000/- under this item anticipating the receipt of recast estimates for school buildings pending with Divisional Engineer (Highways).

FURNITURE AND APPARATUS:-

A sum of Rs.35,000/- has been provided for expenditure during 52-53 for supply of furniture to all regular schools unless the heavy deficit that now esists is wiped off by Government grant for this purpose it may not be possible to increase this expenditure even during 52-53.

GNEERAL:-

The revised estimate though closes with a deficit of Rs.26,383/- in spite of the fact that payment of contribution towards Provident Fund on behalf of the teachers for 50-51, the closing balance of the Budget for 1952-53 closes with a surplus of Rs. 22,417/-

The provision of 60,000/- made under capital expenditure in the Budget for 1952-53 is the minimum that could be made in view of the fact that many schools are working without proper furniture and equipment. I request the Government to sanction a grant of Rs.60,000/- for this purpose considering the plight of the teachers serving in this backward District.

			Salaries and Allowances:-
5,81,820	5,02,500	5,20,000	Pay and Dearness Allowances:- The variation is due to the appointment of unqualified teachers mostly in Compulsory schools and in regular elementary schools on account of dearth of qualified men. The increments which fell due on 1.1.51 for teachers of all grades and qualifications working in both compulsory and regular schools have not been sanctioned and paid during 1951-52 hence the variation between the Budget estimate 51-52 and the revised estimate for 1951-52. Sub:- Elementary Education - Establishment -Bellary Dt. Board - Irregular payment of salary.

Ref:- From the P.D.B., Bellary, letter No.10456/51-C1 dated 8-12-51.

Please see the letter addressed to the H.M.(E.& L on page 17 c.f. and the minutes of H.M. thereon. Attention is also invited to the orders of the Secretary in the margin on p. 15 c.f.

In October 1951, it was brought to the notice of Govt. that the Dt. Board, Bellary, had not paid salary to the ele. school teachers for about four months. The matter was referred to the President, Dt. Board, for urgent remarks. He stated that the entire establishment in all the elementary schools had been paid the salaries and allowances up to 31-10-51 and that steps are being taken to see that teachers are paid their salaries regularly in future. It was reported that the non-payment of the salaries for five months was due to the paucity of funds on the one hand and the heavy expenditure, consequent on the opening of new schools, on the other.

Again, it is now reported that the Dt. Board, Bellary, is not paying the salaries of elementary schoo teachers regularly. The President has not applied to Government for any subsidy. The reasons for the irregular payment of salaries are not known. The P.D.B. may be asked to state whether the salaries of teachers have been paid regularly till now and to apply for a subsidy if the Board has no sufficient funds for paying the salaries of teachers.

Subject to approval, a draft D.O. to the Presid is submitted. H.M.(E.& L.) may see after issue, for information with reference to his minute on page 17 c.f

Please see the letter of the President, Dt. Board, Bellary on p.25 c.f. and a copy of his letter addressed to the Secretary, L.A. Dept., on p.27 c.f.

a/ The President states that the delay in the payment of salaries to the Ele. School teachers is mainly due to the paucity of funds on one hand and the delay on the part of the Treasury Officer, Bellary, in the payment, by book adjustment, of the claims preferred immediately after presentation of the Bills, on the other. With reference to the delays in the payment of salaries to teachers reference to the reports received by Government, the P.D.B. states that it is only exaggeration of the fact by persons disappointed by the Board. The Board is aware of the hard days ~~orders~~ and shall avoid delays in the payment of salaries in future. The President also assures that he will be alert in this matter, in future.

The subsidy of Rs.58,118/- towards the expansion scheme for 51-52 has since been sanctioned.

~~With reference to~~ As regards para 3 of the letter of the P.D.B., ~~the Bd. of Revenue may be requested to issue suitable instructions may be issued to the Treasury Officer, Bellary, in the matter. Subject to approval, a draft memo. is submitted.~~

The Dt. Board does not require any financial assistance from Govt immediately. What is wanted is the issue of some instructions to the Treasury Officer to adjust

the amounts due to the Board without delay. The Finance dept may be requested to do this.

Notes of Edn. on pp. 1-3 above may be perused.

2. The P.D.B., Bellary has attributed the reported irregular payment of salary of teachers to paucity of funds and the delay on the part of the Treasury Officer, Bellary, in the payment by book adjustment of the claims preferred by the Bd. immediately after presentation of bills. The P.D.B. has requested the Govt. to instruct the Treasury officer to adjust the amounts due to the Bd. at least within 3 days after the receipt of the claim bills and to honour requisitions for transfer of funds from one treasury to another within 24 hours after requisition in future. Edn. have requested this deptt. to issue necessary instructions to the Treasury Officer in the matter.

3. It is understood from L.A. that they are taking action on the P.D.B.'s D.O. on p. 27 c.f. and that the Collector has been asked to investigate the matter. In view of this no separate action seems necessary in Finance. This may be returned to Edn. through L.A. L.A. will no doubt consult this deptt. before final orders are issued in the matter.

To
Sri.Sivanandan,
Secretary to Government of Madras,
M A D R A S.

Sir,

We teachers of the Bellary District Board have not received our salary for the last 3 months. We waited on the office and ventilated our untold sufferings. The reply is "If your cannot wait quit service". This is to say the least adding fuel to fire. Is there no money to pay us. There must be money. Otherwise how can these new ~~receiving~~ appointments be made by the President recently.

Six extra clerks for the office as a permanent measure.

One extra Accountant for the office permanently. One temporary clerk, and one temporary attender, One Revenue officer with clerical and inferior staff to work under him. One generating x set. One Jeep.

The authorities sanction these items but never care to enquire whether teachers salaries are paid or not. We have families consisting of babies and sick persons. Casualities in the families have become the order of the day for want of food and treatment. If we give up the jobs we are fit for nothing in this world. The office threatens us with dismissal. Our District Board Educational Officer being touched deeply by our miseries sufferings, casualities left Board's service. He says he has sinned against god in taking up appointment as D.B.E.O., Bellary. The President does not give audience. The Secretary has only one reply "We are busy with canvassing votes for the President to become a M.L.C. All clerks have gone out to Anantapur, Cuddapah, Kurnool to canvas votes. Further there is no money in the Treasury. If you cannot wait quit service. Be patient and canvas votes. The President will be pleased and will help you". We are looked down by the few clerks left in the office. They demand tiffin, coffee and cash for receiving our salary bills. If sent by post they are destroyed. Some time back we appealed to the D.P.I. to arrange for the payment of salaries of three months. Charges were framed and we were punished. Is this justice sir. To get a month's salary we have to carry the favour of a Board member by giving private tution to his children. Please end or mend our sufferings. We look forward for the day when Government take charge of the schools. The District Board Officers and officers get their pay regularly. The newly appointed District Board Revenue Officer H.Gurupada Gowd is empowered to inspect the schools. He was previously a clerk in the District Board Office attending to Elementary Schools work. He forced bribes from us for cancelling our transfers. He is President's right hand. He is Secretary's right hand. He was ~~Educational~~ Revenue Officer Alur Panchayat plundered the Panchayat. As rumours go government framed charges against him and sent him back to District Board office. Now he has made his reappearance as the Revenue Officer. He checks the school furniture and threatens to recover the cost of warn out furniture. We have to pacify him by giving him Cholam Tamarind, and cash, of course borrowed cash. Please help us to

1. get our 3 months salaries.
2. get relief from the Revenue Officer. Ask the Panchayat Officers and the public of Alur how corrupt he was. We have despaired.

Yours faithfully,

T. Channa Basappa

(Budg)

Please see the letter on p 1 above. Orders have been passed on the B.E. of the Bellary Dt Bd for 1952-53 in G.O. No 556 LA dt 24-3-52 (Supplementary)

The gl. acct of the Dt Bd for 1950-51 closed with a balance of Rs 5.85 lakhs. It is expected to close with a balance of Rs 3.59 lakhs in the current year and Rs 0.54 lakh in the budget year. There is no reason for non payment of Salaries to the staff paid from the gl. funds. In Sep 1951, an advance of Rs one lakh was sanctioned to the Dt Bd to meet Current Expr. D

The gl. acct (of the Dt Bd) on the basis of the BE for 1952-53 is expected to work at a revenue deficit of Rs 2.76 lakhs.

The Regl. Inspector of Ml. Cls & Pons (C. Range) has been requested to examine the finances of the Dt Bd and suggest ways & means to balance its budget. He has also been asked to investigate and report the reasons for the inordinate delay in the submission by the Dt Bd of budget & the Admn. Report

to Govt and returns due to the audit dept.
There seems to be delay in all ~~the~~ branches of the ~~Bds~~ administration. The teachers referred to on p1 above are apparently el. school teachers. This may be transferred to Edn dept for necessary action

The petition on page 1 above is presumably a pseudonymous one. The financial position of the general account according to the R.E. for 1951-52 & the B.E for 1952-53 is not so bad as to delay the payment of salaries to the staff as there is expected to be sufficient balance after providing for payment of salaries to the staff etc. The complaint seems to be non payment of salary to ely school teachers.

The papers may be sent to the Edn dept.

The R.E. for 1951-52 and the B.E.for 1952-53 of the E.E.Fund of the Dt.Board, Bellary call for the following remarks:

2.R.E.for 1951-52

(i)The R.E.opens with a 'minus' balance

p.23 cf. of Rs.31751.

(ii)In the circumstances stated by the D.P.I. in para III (iii) of his letter at page 1 cf. credit taken for a Govt.grant of Rs.6000 for the Sandur

p.23 cf. State schools taken over by the Board should be deleted.

(iii)While examining the General Budget of the ~~Council~~ D.B, L.A. noted that provision has been

p.25 cf made for a contribution of Rs.37800 from the General fund to the E.E.Fund in the R.E. as well as in the B.E. But with reference to the E.E.Fund Estimates submitted by the ~~Comm~~ D.B. item VIII- Contributions from General

p.23 cf. funds is left blank. But a sum of Rs.37800 is shown as an item of receipt both under the R.E.and the B.E. against ~~the~~ item IV-contributions. Presumably the provision under 'contribution from General fund' has been shown under the head 'contributions' by mistake. L.A. may be requested to clarify this.

(iv) Revised with reference to the alterations above and without taking into account the opening balance, the R.E.~~x~~ is anticipated to close with a deficit of Rs.632. If the opening balance is also taken into account, the deficit will increase to Rs.32383. L.A. may be requested to state whether the General fund can make an additional contribution to cover the deficit. If that is not possible, the deficit may be wiped off by sanctioning subsidy towards

3.B.E.for 1952-53

(i) Credit taken for a Govt.grant of Rs.6000 for the Sandur State schools taken over by the Board should be deleted. (Vide para 2(ii) above). ~~(vide para 2(ii) above)~~

(ii)Credit taken for a building grant of Rs.25000 should be deleted as no such grant has been promised.

(iii)Revised with reference to the alterations above and without taking into account the deficit in the R.E., the B.E. is anticipated to close with a deficit of Rs.24200.

L.A. may be requested to state whether the deficit can be avoided by making an additional contribution from the General Fund. If that is not possible, the deficit may be met by sanctioning subsidy towards expenditure and D.A. for the Board is already levying Education Tax at the maximum rate of 36 pies. This may be done while examining the R.E for 1952-53.

L.A. and Finance may see for remarks.
